

APPENDIX 11: GUIDELINE FOR STABILITY DATA

For detailed information please refer to the ASEAN Guideline on Stability Study of Drug Product 2013 (20th ACCSQ PPWG) at:

- [ASEAN Guideline on Stability Study of Drug Product 2013](#)
- [Guideline For Stability Data](#)

The purpose of stability testing is to provide evidence on how the quality of a product, in its proposed marketing packaging, varies with time under the influence of a variety of environmental factors, such as temperature, humidity and light, and enables recommended storage conditions and shelf lives to be established.
